SHANDONG LUSCIOUS PET FOOD CO.,LTD

STOCK CODE: 920419

Company Profile

Shandong Luscious Pet Food Co., Ltd is one of the most experienced pet food manufacturers in China. The company also has grown to be one of the largest producer of dog & cat food since its establishment in 1998. It has staff of 2300, consists of 8 high standard processing workshops with capital assets of USD 75 millions and export sales of USD 67 millions in 2024. All the raw materials are used from the standard slaughter factories registered by CIQ. Also the company has its own 20 chicken farms, 10 duck farms, 3 chicken slaughter factories, 3 duck slaughter factories. Now the products are exporting to US, Europe, Korea, Hong Kong, Southeast Asia etc.

We also have our own labels of LUSCIOUS and SOFTHEART. We warmly welcome OEM Orders.

Luscious

- 1998 Founded in July 1998, mainly produce dry chicken snacks for the Japanese market. ISO 9001 quality system certified.
- 1999 HACCP food safety system certified.
- 2000 Shandong Luscious Pet Food Research Institute was established, which had three employees and invited experts at the Japan Pet Research Institute to serve as our advisers.
- 2001 The company's second plant was completed and put into production, with an annual production capacity of 2000MT.
- 2002 The registration of the trademark "Luscious" was approved, and the company began operating this brand in the domestic market.
- 2003 The company was registered with the U.S. FDA.
- 2004 The company became a member of APPA.
- 2005 EU food export registration.
- 2006 The company's pet food cannery was built, primarily producing canned food, ham sausages and cat food products.
- 2007 The trademark "Kingman" was registered, and Kingman products are very marketable in a number of cities across the country, including Beijing, Shanghai and Shenzhen.
- 2008 Built our own laboratory, could test microorganisms, drug residues etc.
- 2009 UK BRC certified.
- 2010 The fourth factory has been established with 250000 square meters.
- 2011 Start the new production lines of wet food, biscuit, natural bone.
- 2012 The company won the industry top ten award of China.
- 2013 Start the new production line of dental chew. At the same time the company upgrades and implements organized systems, marketing systems, service systems and ERP management system fully.
- 2014 The canned food production department equipped with the automatic filling machine and it makes the company to be the first one to hold it.
- 2015 Successfully listed on April 21, 2015. And the share has been named LUSCIOUS SHARE, the code is 832419.
- 2016 New pet food factory in Gansu started to build; Duck meal product project started, the workshop officially started production.
- 2017 New pet food factory in Gansu started production, production capacity of 18,000 tons per year.
- 2018 Expand the area of wet food workshops and increase the productivity of wet food products. The workshop mainly produces canned food, cat strips, boiled meat and other products.
- 2019 The company obtained FSSC/GMP/BSCI certificates.
- 2020 It is planned to build two dry pet food workshops and build a freeze-drying upgrade production line to expand the types and productivity of freeze-dried products. It is expected to be completed in 2021.
- 2021 It is planned to build two subsidiaries located in Yantai and Yangkou. The company's dry pet food workshop and freeze-drying workshop have been completed and put into production. The company's entire R&D room is under construction, which will provide pets with more healthy and delicious food.
- 2022 In March 2022, Luscious shares were listed and publicly issued on the Beijing Stock Exchange. The stock is referred to as "LUSCIOUS SHARE" and the stock code is "832419".
- 2023 Set up a branch in Cambodia and put into use. We have successfully passed BRC, FSMA, HACCP and ISO22000 four international certifications. It can produce all kinds of jerky and rawhide products. In order to better serve customers and the safety of pet food, our food irradiation center is under construction.
- 2024 The company's irradiation workshop has been successfully put into use in December. The laboratory obtained CNAS accreditation in 2024. The first dry jerky snack workshop and irradiation workshop of Luscious in Cambodia have been put into use successfully. And the second dry jerky snack workshop and rawhide product workshop has also been completed. It is scheduled to be put into use in the second half of 2025.
- 2025 Our dry pet food project phase two has been put into production and operation. Five new pieces of equipment have been added to the canned food workshop, which can achieve a daily output of 1000kg. The new dried meat workshop is under construction and is expected to be put into production and operation in the first half of 2026.

Company Purpose: Produce healthy food, to be the world brand.

Business Concepts: Service first, best faith, good quality, offer for pets.

Material from our own farm

quality could be controlled

Team:

The factory has special qualified team of 50 employees working in each procedure of the production. Most of them have more than 10 years of experience in their work.

Material:

All the raw material are from our own farm and the China Inspection and Quarantine registered plant. Each lot of materials will be inspected after coming to the factory. To make sure the materials we use are 100% natural and health.

Production Inspection:

The factory has metal detection, moisture test, high temperature sterilization machine etc. to control the production safety.

Finished Product Inspection:

The factory has developed laboratory with gas chromatography and liquid chromatography machine also with all the machine used for checking of chemical residual and microorganisms. The process are checked and controlled from beginning to end.

The Third-party Inspection:

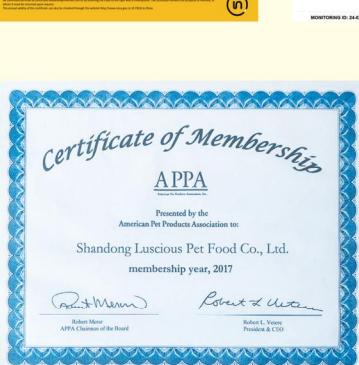

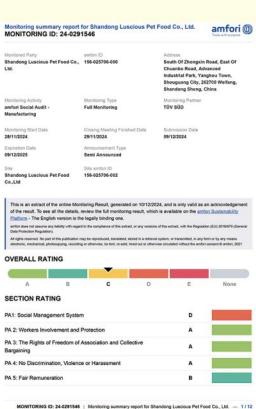

We also have long-term cooperation with the third party test institution like SGS and PONY. To make sure the validity of all the results from our own lab.

CNAS Certified:

Our laboratory has been certified by CNAS. (China National Accreditation Service for Conformity Assessment).

Workshop

Cambodian Luheng Pet Food Co., Ltd was set up in 2023 with an area 47,000 square meters in Preah Sihanouk Province, Cambodia. We have 2 workshops, 1 Irradiation center, 1 rawhide manufacturing workshop, 16 ovens, production capacity reaches to 25 containers per month, 4,200 tons per year. We also reserved space for production capacity improvement, extra 64 ovens and 1 more Irradiation line are reserved for potential orders, totally bring our capacity to approximately 60 containers per month, 10,000 tons per year. Products range contains jerky, rawhide, formed jerky, semi-moist bites, dental chews and puffed chews combined with meat, collagen chews, etc. Cambodia has cost advantage on raw material in southeast Asia, we can offer chicken/duck/lamb/beef/salmon protein, also a supplier of Walmart/PSP etc.

We warmly welcome OEM orders.
